## Risk Profile

Recommended period

5 years

### Thesis

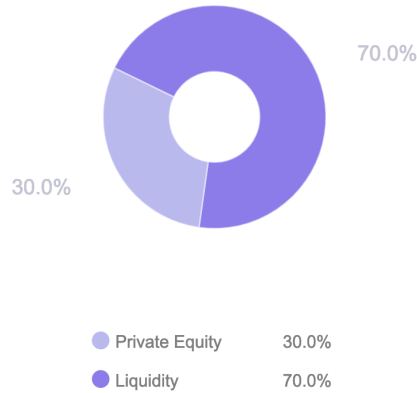

Starchain Capital is an investment firm focused on blockchain related technologies and protocols building the decentralized software stack known as WEB3.

We're committed to exceptional returns for investors through actively managed portfolios of these blockchain assets.

We believe blockchain technology and crypto-networks have the potential to transform vast segments of the global economy.

We're backing teams that aim to disintermediate marketplaces and rent-seeking incumbents, enable peer-to-peer transaction of tokenized assets, empower users and liberate data.

This fact sheet does not constitute an offer to sell or the solicitation of an offer to buy any securities. Securities of Starchain Capital LP (the "Fund") managed by Starchain Capital Management LLC (the "General Partner") are offered to selected investors only by means of a complete offering memorandum and related subscription materials which contain significant additional information about the terms of an investment in the Fund (such documents, the "Offering Documents"). Any decision to invest must be based solely upon the information set forth in the Offering Documents, regardless of any information investors may have been otherwise furnished, including this fact sheet.

This fact sheet is for informational purposes only and should not be construed as investment advice. It is not a recommendation of, or an offer to sell or solicitation of an offer to buy, any particular security, strategy or investment product. Opinions in this sheet constitute the current judgment of the General Partner and are subject to change without notice. This fact sheet is strictly confidential and any reproduction or other distribution of this material in whole or in part without the prior written consent of the General Partner is prohibited.

An investment in any strategy, including the Fund's strategy, involves a high degree of risk. There is no guarantee that the investment objective will be achieved. Past performance of these strategies is not necessarily indicative of future results. There is the possibility of loss and all investment involves risk including the loss of principal. The approach and the targeted characteristics of the strategies and investments herein are based on current expectations and should not be considered definitive or a guarantee that the approaches, strategies, and investment portfolio will, in fact, possess these characteristics.

Historical performance results provided herein and performance of individual investors may vary based upon differing fee arrangements, and the timing of contributions and withdrawals. Performance numbers were prepared by the General Partner and have not been reviewed or audited by an independent accountant. Such performance results are presented for information purposes only and reflect the impact that material economic and market factors had on the principals' decision-making process. No representation is being made that any investor or portfolio will or is likely to achieve profits or losses similar to those discussed.

Performance estimates are subject to future adjustment and revision. The information provided is historical and is not a guide to future performance. Investors should be aware that a loss of total investment is possible. This fact sheet cannot and does not guarantee or predict a similar outcome with respect to any future investment. The General Partner makes no implications, warranties, promises, suggestions or guarantees whatsoever, in whole or in part, that by participating in any investment of or with the General Partner you will experience similar investment results and earn any money whatsoever.

The graphs, charts and other visual aids are provided for informational purposes only. None of these graphs, charts or visual aids can and of themselves be used to make investment decisions. No representation is made that these will assist any person in making investment decisions and no graph, chart or other visual aid can capture all factors and variables required in making such decisions.

ALL STATEMENTS IN THIS FACT SHEET ARE THE OPINIONS OF THE GENERAL PARTNER, UNLESS OTHERWISE SPECIFIED.
